MIDWEST BROILER/FRYER - Final majority prices increased 2 cents in all market areas; TFEWR into Ohio cities. Whole broiler/fryer market tone was steady to firm on very light offerings. Seasonal holiday trade patterns were the norm into retail and food service, best into fast food and restaurants. Floor stocks were short to adequate on mixed weights. Demand on parts was light to fairly good; most active call on wings and eight piece cut-up. Supplies were tight on tenders and boneless dark meat, wings varied, balance of parts were in close balance.
